

David A. Trapp

Corporate Compensation Plans of Wisconsin, Inc.

David Trapp is *President* of Corporate Compensation Plans of Wisconsin, Inc. (CCPW). Dave began his insurance career in 1969. He has worked and consulted with businesses and other organizations in a full line of insurance matters – life, health, homeowner's, property, casualty, auto, worker's compensation and group insurance benefits.

He is the owner of Armitage, Inc. d/b/a David Trapp Agency (an independent insurance agency which specializes in group benefits serving clients in a 150-mile radius of La Crosse, WI), Corporate Compensation Plans of Wisconsin, Inc. (part of a multi-state consortium founded in 1985), Second Opinion Insurance Services, Inc. (a consulting firm founded in 1986 with James O. Ash C.P.A.), and is a consultant for Coulee Area Regional Employers (CARE) Health Action Cooperative (a health coalition with 39 employer members).

David has put on worker's compensation programs statewide for the Wisconsin Manufacturers and commerce (WMC), and programs on life and health insurance for the University of Wisconsin Extension, Western Wisconsin Technical College, and many service and professional clubs.

Dave was president of the La Crosse Downtown Rotary Club and 2011 United Way Campaign Chair for the Coulee Region. He served as a campaign board member for the Girl Scouts of the Riverland Council "Camp Ehawee Campaign", President of Riverfront Board (job services for the disabled) and he is currently on the boards of La Crosse Floral, Church Council of the Onalaska United Methodist Church, The Mental Health Coalition of the Greater La Crosse Area and the La Crosse County's Health and Human Services Board. The Mission of the Health and Human Services Department is to improve the public health of La Crosse County. Three times he has served as a board member for the La Crosse Rotary Foundation. Dave has served as Finance Chairman for Onalaska United Methodist Church, as well as being active in fundraising for the Red Cross, Humane Society, United Way, Riverfront and local Fire Departments.

Dave completed undergraduate and began graduate studies at the University of Wisconsin – Madison in cultural/intellectual history and paleoecology. He is a licensed Intermediary in Wisconsin, Minnesota, Iowa, North Dakota, South Dakota, New York and Maryland for life, health and accident, property and casualty insurances.
