FOR RELEASE OCTOBER 22, 2004

CCP's 401(k) Secure for IBM Savings Plan participants

Danbury, CT, October 22, 2004 -- Corporate Compensation Plans, Inc. (CCP), is pleased to announce that it has assisted IBM with offering CCP's innovative **401(k) SecureSM** to IBM Savings Plan participants.

401(k) SecureSM is a retirement savings plan enhancement, which will continue contributions to disabled employees' 401(k) accounts so that their retirement savings assets will continue to grow during a period of long-term disability.

For further information, please contact Tracy Shaw at Corporate Compensation Plans, at 1-800-334-6447.
